DIRECTORATE OF HIGHER & TECHNICAL EDUCATION  
ITANAGAR**

NO. ED/HE(TE)/2006/11(Vol-II)

Dated : 01.06.2017

**CIRCULAR**

It has been observed that a number of students are taking admission in various institutions/universities within the country and abroad for pursuing higher studies in different fields. It has been learnt that some of these institutions aren't recognized by the appropriate statutory bodies notified for the purpose by the Central Government.

Such universities/institutions lure the innocent students by issuing misleading advertisements in the various news papers citing recognition/affiliations of some statutory bodies which may not be always correct. Taking admission or pursuing studies in such universities /institutions may ruin the life of the students as the degrees awarded by them may not officially be recognized, leading to unnecessary wastage of time, money, energy and hope.

All the stakeholders, especially the students and their parents, are therefore alerted not to be misled by such advertisements. They are requested to verify the authenticity of such universities/institutions before taking admission in them through the official websites of the statutory bodies which recognize/affiliate these institutions.

The websites of some of the statutory bodies are given below for reference :-
